Sometimes each day my heart is filled with yearn - ing, Since you've been gone a - way,
Sometimes it seems my dream of love is o - ver, My hopes are all in vain,
p
Sometimes it seems the same old love is burn - ing, As on our hap-py wedding day.
Sometimes it seems that cruel fate will ev - er, Change all my sunshine in to rain.
Sometimes I feel your lit - tle heart is cry - ing, For ba - by home and me,
Sometimes I seem to feel your pres - ence near me, As when your heart was mine,

When mem'ries come afly-ing, I feel my heart a sigh-ing, Sigh-ing your face once more to see.
Then mem'ries o-ver-take me, And from my dreams awake me, And leave my heart to ache and pine.
CHORUS
Some-how I can't for-get you, Tho mem'-ry but brings me shame,
Some-how your mem'ry haunts me, My love re-mains the same.
Some-how my heart is ach-ing, And life seems filled with pain,
Some-how my heart is pray-ing, That our lives shall meet a-gain. gain.
